Prayers for Courage and Healing

(Feb 25 through Mar 25 in the sanctuary)

Lent is an invitation to reconnect with God and neighbor, a call to each of us to (re)orient our lives in the way of healing, wholeness and courageous living. Wednesday evening Lenten services will include music, scripture, guided meditation, and prayers for courage and healing. Along with these traditional elements, our gatherings will be informed by reading from *How We Learn to Be Brave*, by Mariann Edgar Budde, the Episcopal Bishop of Washington, D.C. (Avery/Penguin Random House, 2023.) Especially helpful to people of faith in these challenging times, the book is widely available in local bookstores and online, and you are encouraged to read it as a part of your Lenten spiritual journey.

Requiem

by Maurice Duruflé

We will close the most somber day of the Christian story with Maurice Duruflé's *Requiem*, Opus 9, a choral work of serenity and hope offered by our Chancel Choir, with organist Vlada Volkova-Moran, conducted by Cheryl Anderson. Built upon melodies from Gregorian chant, with modern harmonies and texts from the Latin *Mass for the Dead*, this masterpiece of 20th century sacred music is a deeply soulful experience.
