

A Place for Peace is more than “the place.” It’s about our calling as a church – the service we offer, the community we build, the witness we make – for which our facilities on High Street are a vital asset.

We invite your commitment to three distinct ways of giving in our **Comprehensive Campaign**: to our **Capital Fund** to renew and update our facilities; to the traditional **Annual Fund** (Stewardship Campaign) which funds our staff, facility and ministries; and, to a **Legacy Gift** which provides for special projects and future programs.

All of these gifts acknowledge your commitment to the values of this welcoming, celebrative, faithful community.

A Comprehensive Campaign

Our Comprehensive Campaign invites your commitment to support our mission and ministry in three very important ways.

Capital Funds are for deferred maintenance and improvement of our facilities. From painting the exterior of all buildings and adding more toilets in the sanctuary to replacing the leaking roof on our education building, treating the fellowship hall for termites and replacing the boiler.

Goal: \$500,000 – Pledges are payable over three years.

Annual Funds are used for operating expenses including staff wages and all our programs, insurance and utilities, and our financial participation with mission partners like Prophets for Hope, COPA, AFC and UCC. This means making/continuing your yearly donation to our Annual Pledge Drive, and increasing the pledge amount if you can.

Legacy Funds come from your designation of Peace United Church of Christ as a beneficiary in your will/estate plan. These gifts have helped us finance big projects and new initiatives, such as the upgrade of AV technology in the sanctuary which made our worship services available online.

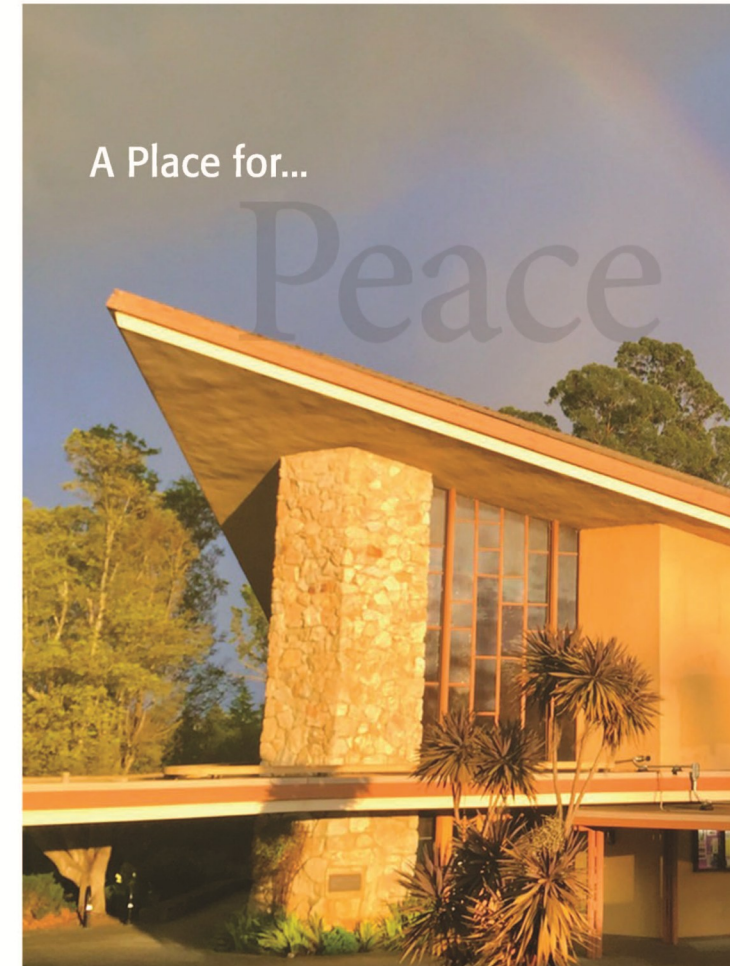

As Peace Village develops in the next couple years, we need to prepare for the transformation of our church community to welcome residents with services and activities that reach out and support our new neighbors.
